| Builder | Kelleran Homes | Nathan Larson | 206-604-6471 | http://kelleranhomes.com/ | nathan@kelleranhomes.com | <p>Kelleran built our home at 421 2nd St W, which we have subsequently sold. It is a significant addition to the neighborhood, in part due to the craftsmanship that Kelleran demonstrated. The Kelleran people were exceptional in adapting to our needs as well as making the architect's vision come true. The skilled workers and subcontractors were a pleasure to work with.</p> <p>After moving into our condo on Market St we needed some changes and did not hesitate to call on Kelleran for the work. Even though it was a small job, they delivered their usual great service and attention to detail.</p> <p>I recommend Kelleran Homes most highly, and note that Nathan Larsen, the owner, lives in the West of Market area.</p> | Bob McConnell |
